Received, thank you. I should be able to get it done by the end of the week, but I will need to read all the earlier chapters first (I can't start stories in the middle!) so that will take a while, even though I do read very quickly!

And no, I've never used [googletalk](#), but I do use Twitter a lot ([iolanthe](#)).

Hi! I've gone an attached the raw draft for ya.

About your question on beta-style: Sure! I prefer to let my betas edit in whatever way they are most comfortable with, because I'm happy you're taking the time to do me the enormous favour and would rather let you worry about the editing itself rather than the method. If I do have any questions, I can always email you about them. That said, feel free to email me if you have any questions yourself. I usually answer pretty quickly.

Also, do you use googletalk? Just curious. I'm collecting people on there.

Thanks so much again! I am both looking forward to and little anxious getting your edits :)
